

Fire Department Event Request

We are happy to visit your special event! Block parties and corporate events are a great way for kids and adults to get a close up look at what Channahon Fire Protection District has to offer. Anyone interested in a block party or corporate event must contact the Village of Channahon for their rules and procedures **before** setting up a Fire Department Request with the Fire District. Keep in mind, due to emergencies we cannot guarantee that the fire units will be available. Requests are on a first come, first serve basis. Visits are limited to one hour. Also, due to limited availability, Channahon Fire will not do birthday parties. We need a minimum 14 day notice prior to event.

If you have any questions or to drop off the request form (see address at bottom), our Administration office is open Monday-Friday, 8am-4pm., (815) 467-6767.
